INTERNATIONAL INDUSTRY EXPO 2024 - SRI LANKA

GLOBAL NETWORKING...

Sri Lanka showcases industries as, "International Industry Expo 2024", which will be held from 19th to 23rd June, 2024 at the Bandaranaike Memorial International Conference Hall (BMICH), Colombo, Sri Lanka.

The Expo is organized by the Ministry of Industries and the Industrial Development Board (IDB). The main objective is to create a platform to bring together industry related local & international stakeholders. This Expo will represent 25 industry sectors and over 1000 exhibitors, covering a wider products and services portfolio during the 05 days of its exposition. The event is a complete package that involves International Symposium, industry related seminars, sharing experiences of industry leaders, as well as displaying of products and innovations.

Why Visit

Make Sri Lanka (Ceylon) as your next investment pivot in South Asia. Sri Lanka is a wonderful island which has been dubbed as the "Pearl of the Indian Ocean". "Ceylon" is renowned for its strategic location anciently which is geographically attractive to many global value chains. Even now, it continues to be the ideal trade hub in Southern Asia due to its strategic location and harbors. Sri Lanka has natural resources, human resources, transportation, telecommunication services and more than everything all the other business supporting services are easily accessible and way forward towards an export oriented economy.
